Technical reports

DELTA-N312480, DANAK-19J1944

Manufacturer code

1944A

This product has been tested by DELTA EC Cabling Group and complies with the electrical requirements of the above specified standards. Furthermore, it complies with "Terms and conditions for use of the EC VERIFIED marking on generic cabling products", DQP231006. The product takes part in a maintenance of certification schedule, which implies that DELTA EC Cabling performs a sample test of the product once a year. For detailed information see www.delta.dk/cable. The certificate is valid until 9 September 2009.
